

QUALITY ASSURANCE & PLANNING NEWSLETTER FEBRUARY 2022

Volume 2 issue #2

ADVOCACY;

Advocacy is a supportive process in which the views, wishes, needs & concerns of the individual are clearly communicated. Having a clear understanding of what the issue is & having a plan & an anticipated goal.

Communication is non-confrontational, non-judgemental & open for negotiation, to arrive at a shared understanding through a solution-based process. Keep up the excellent advocacy work everyone!!

~ LET'S ALL GIVE A SHOUT OUT TO MASON WHITECROW FOR WORKING TOWARDS HIS GOAL!

- Mason is actively pursuing his goal & making his dreams of attending College come true. He began the 2-year Community Integration through Co-operative Education (CICE) Program at Confederation College in September of 2021
- He has completed his 1st Semester and is working on his 2nd Semester.
- He began a job placement at The Bargain Shop at the beginning of February. The end goal is to gain work experience, gain new skills & work on personal growth. Supervisor Cheryl & Mason's Mother did the leg work to get him enrolled & funded. Mason's many dedicated, hard-working support staff have wholeheartedly supported him by taking him to school and assisted him with homework. Mason is proud of his accomplishments & is enjoying these experiences very much! Congratulations Mason, keep up the great work!!
