Pursuing your dreams:

“All our dreams can come true, if we have the courage to pursue them”

~ Walt Disney

Person Centered Planning does not have to be complicated, or require a lot of resources. Spend some time looking at what is available & what is important to the person supported & see what small steps can be taken to bring them joy!

### Tanya's Person Centered Planning at it's finest!

Welcome to a glimpse into Tanya Detweiler's person centered life! Despite the complications & restrictions that the pandemic brought, Tanya & her staff did not let it slow them down; They got creative & found safe alternatives & ways around the hurdles, to bring Tanya joy! Tanya attended some exciting stock car races & met some handsome race car drivers! Tanya went camping in a tent, as well as a trip to Sioux Narrows for a cabin experience. Tanya loved the mesmerizing campfires, making yummy smores, enjoyed paddle boating & swimming in the beautiful lake! Tanya took a couple of trips to the frozen lake to ice fish in her own ice shack! You could hear Tanya singing "Here fishy fishy". Even during the more extreme pandemic times, Tanya enjoyed Friday night supper out, which meant picking supper up & enjoying it at home, paired with a great movie night! When you surround yourself with positive people, beautiful, serene backgrounds, you can't help but smile! Tanya's latest venture is a new home, which could not have happened without the dedication & hard work of her staff & supervisor! This endeavor took planning, cleaning, painting & decorating. A surprise house warming party was held for Tanya, with staff showing her around, pointing out her personal belongings, with each having a special place in her new home. Tanya was presented with a beautiful gift basket of delightful gifts & a card signed by her neighbors & staff. The pictures below say volumes about how Tanya felt about her new home! The care, support & time that Tanya's staff show her, is to be admired!
