Editor: Jeanne Jewell September 2021, #3 edition

“Our Fingerprints don’t fade from the lives we touch”

## SHOUT OUTS:

Here is a shining example of perseverance, resiliency & Quality support in the Family Home Program! Shawn Masakeyash has always strived for academic success and has made big plans for his future- despite being told as a teenager that he would never achieve these goals because “you have a disability”. In June 2021 Shawn graduated, with honors, from his General Arts and Sciences program through Confederation College. In the fall he will be starting a Pre-Health Sciences program through the college. Right now, Shawn is interested in pursuing a career as a lab technician and is feeling confident starting his second college program. Good luck this fall Shawn! Kayla Brady is the new Family Home Program Supervisor – welcome to your new role Kayla!

A huge shout out to all of our DSP’s, who provide Quality support each and every day! Your work Matters!
