INDIVIDUAL SAFETY CONCERNS

Individual's Name: _____ **Date**
Completed/Updated: _____

Please provide details of reasonable concerns for the individual's safety in the following areas:

in his or her home?

in other indoor environments?

using outdoor environments?

pedestrian safety?

finding his or her way around the surrounding community?

calling 911?

seeking assistance if lost?

letting others know when he or she is going out?

Please note for each environment the maximum amount of time the person can safely be left unattended, and any precautions to be taken if leaving the person unattended:

in his or her home?
