ACCREDITATION UPDATE:

CLFFD Assessment was completed & sent in to FOCUS to be reviewed

**December 13th will be a one-day FOCUS Orientation; this session is an overview of the accreditation process. There will be discussions on some of the standards, so that we can practice understanding the intent of the standard, assessing it as a group, and discussing how our organization might be currently meeting the standard.

**We want the Accreditation process to be engaging & inspiring. We are going to have some fun with it & we will be having an Accreditation Trivia Contest this winter. Over the next few weeks, CLUES will be put in several different places such as newsletters, emails & staff meetings, so make sure you are watching for them!

I would be happy to answer any questions that you may have about Quality Assurance & Planning or include items of interest on these topics in this newsletter. Please reach out to me at 274-5556 ext # 224 or @ jjewell@clfortfrances.com

Shout Out:

Do you see that big smile on Mark Hayes face? He says he is blessed with many things that make him happy. Mark loves his new mobility device & gets a twinkle in his eye & laughs when I tell him it looks like a Harley Davidson bike!

Mark's affectionate cat 'Alley' is his constant companion and loved posing for the picture.

Mark showed off his ginormous T.V. which also made it into the picture! Mark loves to reminisce about the good old days on the farm and has always loved animals and campfires.

Mark was an active participant on the CLFFD Rights Committee for many years & received a thank you letter for his contributions to the committee. One of the pictures below is Mark receiving a certificate of appreciation from Rights Committee Chair Laurie Nuttall in a small ceremony. Mark plans to have this certificate framed so he can put it up on the wall in his home to remember the work that he was a part of. If you see Mark out & about, let him know you saw his Shout Out in the newsletter!
